WEEKLY REPORT FOR PERIOD ENDING 22 APRIL 1986

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

A. DAS

25X1 (1) [] C/TLG/FND/OC, has provided a paper on
N general requirements for the Logistics Overseas Computer System
(LOCS). The content of this document will be analyzed and
evaluated in terms of its impact on DAS and OL. More will
follow on this subject.

25X1 (2) [] OL Wang Systems Coordinator, is
N sponsoring a speaker from Wang Labs who will provide a lecture
on the Visual Memory Report Writer feature of the Alliance
system on 22 April.

(3) The senior training officer within P&TS was provided
N with an overview of the DDI-originated training data base system
that DAS is investigating for MLD personnel. This system
appears to have excellent potential for all concerned.

25X1 (4) A DAS representative is acting as focal point for the
gathering of terminal/printer relocation requirements within
N [] first floor, at the request of the RECD
architect. While OIT will relocate phones and Delta Data
equipment without charge, all Wang apparatus relocations for OL,
OIT, OS and OC will be charged to their respective components.
Tentatively, these charges will be \$600 per "drop" (line).

25X1 B. Regulations

N (1) IMSS actions on regulations included the following:
